

Patient Opt Out from treatment by private NHS providers

Dear Dr..... Surgery.....

I wish to exercise the choice offered to me by the Health and Social Care Act 2012.

I wish to be offered tests, treatment and care from NHS internal providers only, and not from private companies contracted to the NHS (unless a service is not available from an NHS internal provider). The NHS should always be the preferred provider.

Please will you arrange for my medical records and notes to be tagged 'NPP' or 'No Private Providers' so that my choice is explicitly clears for whenever a referral is made by the practice. Thank you for your cooperation.
